Your comments-notes-special requests:

All payments will be effected in Croatian currency.
EUR denomination serves only as information and your credit card will not be charged in EUR. The amount your credit card account will be charged for is obtained through the conversion of the price in Euro into Croatian Kuna according to the current middle exchange rate of the Croatian National bank. When charging your credit card, the same amount is converted into your local currency according to the exchange rate of credit card associations. As a result of this conversion there is a possibility of a slight difference from the original price stated in our web site. Exchange rate that will be used for conversion is middle rate, as defined by Croatian National Bank on the date that is designated on this form.

-Vehicle type: cars, motorcycles (for motor-home, van, bus please contact us for pricelist and fees).
